

Orleans After School Activities Program SEPTEMBER 2017 NEWSLETTER

HOMWORK POLICY

When the kids arrive to after school at 2pm, the first hour is spent on homework and reading for grades 2nd through 5th. If we did not sign off your child's homework and reading log it was not completed in after school. It is very important for parents to check their child's backpack and homework on a daily basis to help them keep organized and up to date with assignments. Considering the number of students OASAP has each day, we do not have the materials or resources to complete large class projects. For this reason, long term projects must be done at home with parents.

OASAP PURPOSE

Our 501(c)(3) nonprofit status states clearly that a minimum of 85% of our enrolled students must be the children of gainfully employed parents or those currently seeking employment.

TUITION

Tuition is due the first day of each month your child attends the program. Please drop off your checks in our purple tuition folder to right of the door to the OASAP office. As a nonprofit organization, tuition payments made on time is what preserves the program's financial stability. If you are having difficulties making payments please see Serena to make arrangements before falling behind.

SAVE THE DATE

SATURDAY NOVEMBER 11TH
