Dear Parents,

The Orleans After School Program was established in 1991 to offer **working** Orleans families quality after school care for children in kindergarten through age 14. We are currently licensed for 52 children per day. Our 501(C) (3) Non Profit status states clearly that a minimum of 85% of our enrolled students must be the children of gainfully employed parents/guardians or those currently seeking employment. Working families have priority for placement in the program and we will only place working families on our waitlist.

We understand that the needs of kindergarten children and 5th graders differ greatly and we run the program with this in mind. OASAP keeps a lower child to staff ratio than the state requires ensuring that the needs of all the children in our program are being met.

Tuition rates for 2017-2018

Days	1 child	2 children	3 children
1 day	\$20	\$34	\$50
2 days	\$40	\$68	\$84
3 days	\$60	\$102	\$118
4 days	\$80	\$136	\$152
5 days	\$100	\$170	\$186

Please think about the days you will need, fill out the pre-registration form, enclose your fee of \$30.00 and return to the OASAP office as soon as possible. Kindergarten spaces are limited to the number of 5th graders leaving the program, and typically these spaces are taken before Kindergarten screening. Please understand that by filling out this form your child is not guaranteed a slot in the program, I will let you know when all of the spaces are full and if you are being placed on the waitlist.

When you are signing up more than one child please make sure that you put all names on the form. If your children will have different schedules please ask for additional forms.

If you need to drop days from your schedule or be placed on the waitlist for extra days please let us know over the summer by leave a message at 508-255-0380 ex214.

Sincerely,

Serena B. Kilawee, Director
