Homework Policy

This is a reminder to parents of the importance of checking their child's homework folder on a consistent basis. If we did not sign off on their homework/reading log it has not been completed. Please keep up to date with what they are currently learning and be aware of any long-term projects which we cannot complete here in afterschool.

SNOW CLOTHES

Please send your kids with all the snow gear necessary to go outside on snowy days (snow pants, or extra pants, boots, gloves, hats...)
