

Final Payments

All final invoices have been placed in parent pockets. Any accounts with a previous balance have a statement attached showing your payment history. Final payments are due **MONDAY JUNE 11th**. Please see Serena before this date if you are having trouble closing your balance. The end of OASAP fiscal year is June 30th, thus all accounts need to be at a zero balance before we meet with our accountant.

OASAP WILL BE CLOSED ON THE HALF DAY FRIDAY JUNE 22ND.

We are happy to welcome back Lianna Montgomery to OASAP. She was a group leader for us for several years.
